

Abuse Awareness and Prevention Professional Practice Guideline (PPG)

Consultation Summary

Background

The updated and revised PPG aims to enhance clarity and guidance in recognizing, preventing, and reporting abuse. Reviewed and endorsed by the Patient Relations Committee on March 22, 2023, it is crucial that members understand the clear, up-to-date, and succinct expectations and guidelines concerning this issue.

Consultation Feedback Details

The document was shared as part of the CROTO's public consultation process. A consultation survey was made available on the CROTO's website and also shared via the CROTO Twitter account. A total of 9 individuals viewed the consultation survey, resulting in 5 responses (from 5 Respiratory Therapists).

All respondents, affirmed that the policy was clear, comprehensible, and devoid of any omissions or errors.

Date consultation opened for feedback: May 31, 2023

Length of time posted for consultation: 60 Days

Date consultation closed: July 31, 2023

Outcome

The format of this document remains unchanged. A comprehensive review of jurisdictional and regulatory requirements was conducted to ensure that the content is current and in compliance with all relevant legislation and regulations. The document has been updated to incorporate new legislative mandates and refreshed links.
